

Hafez Persian Language School

Homework policy

A responsible and punctual attitude towards homework requirements is expected from all students at Hafez School at all times.

Work set will be appropriate to the age and ability of each student. Students are required to complete their tasks punctually and to the best of their ability. Homework should be completed carefully and conscientiously, and teachers will provide feedback and guidance for improvement and progress where necessary.

Behaviour by anyone in the school environment that limits the ability of others to learn, develop, or work effectively will not be permitted.

The school will provide an environment that is disciplined and supportive for everyone. Individual support will be given to students who require additional help or whose performance remains below the expected standard.

Parents will be informed of any concerns or difficulties that may arise regarding their child, as well as significant progress where appropriate.

Parents must do their best to ensure that their child is committed to completing their homework on time and to the best of their ability.

Communication between the school and parents will take place through the designated WhatsApp group for each class. Teachers will use the class WhatsApp group to inform parents of the homework and tasks assigned to students each week, as well as to share relevant class information and reminders.

Parents are responsible for checking the class WhatsApp group regularly and ensuring that they are aware of the homework assigned to their child. Parents must support and encourage their child to complete all homework on time and to the best of their ability.

The class WhatsApp group will also provide a means of communication between teachers and parents regarding homework, students' progress, and other relevant school matters. Parents are expected to check messages regularly and respond when necessary.

Parents are responsible for keeping themselves up to date with the latest news and announcements from the school WhatsApp Group/ Website.

Despite the commitment to good behaviour and a responsible manner that is expected from all students, it is recognised that there may occasionally be a need for

staff to detain a student. For further information, please refer to the Detention Policy, available on the school website at www.hafezpersianschool.com

Break-time Detention

Students who have not completed their homework properly, have submitted incomplete work, or whose work presentation is poor may be required to complete or improve their work during up to 15 minutes of break time, working quietly under staff supervision. Students will still be required to complete their work at home, and they may also be required to undertake extra work where appropriate to support their learning and progress
